

JOB OFFER

POST PRODUCTION

450€-Minijob

You are an experienced post producer in Berlin and you have an eye for harmonious and unusual compositions of dishes? You edit photos effectively with the Creative Cloud (Photoshop / Lightroom) and would like to work with a dedicated team for well-known restaurants? You would you also like to work on your own photographs in a professionally equipped studio? Then apply to us and get the best out of the dishes from Restaurants throughout Germany!

YOUR PROFILE:

You have successfully completed an apprenticeship as a media designer, graphic designer or you have in-depth photo-technical know-how with a lot of experience in post-processing photographs. Furthermore:

- you have at least 2 years of professional experience in the field of post production
- you bring creativity and passion for visual media with you.
- Your work is characterized by a high level of quality and responsibility.
- You are independent, organized and structured work alone and in a team.
- you have very good knowledge of the Adobe CC Suite - especially Lightroom.
- are you experienced, committed and enjoy working with our high quality food / beverage / fashion photos

YOUR TASKS:

- You are responsible for the post-production of our food photographs with the programs Adobe Photoshop / Lightroom.
- You will finalize and structure product shootings (food / beverage / interiors) independently and coordinate with our creative director.
- In cooperation with the art direction you define the image look for our customers and partners.
- You give photos and videos the finishing touches in post-production.

WHO WE ARE:

LINE is a young company with a focus on Marketing & Content Production. Through intensive work with a wide variety of customers, certain strengths and services have emerged. The food photography and the support of e-commerce businesses in the area of strategy, conception & marketing are worth mentioning. We support great sole proprietorships in the catering and other business fields; In addition, we are familiarizing ourselves with our first major customers in the areas of lifestyle, sport and fashion.

OUR OFFER TO YOU:

- many development opportunities with possibility to take over a permanent position
- flexible working hours
- a photo studio in Berlin for free use – beginning start of 2021
- Cross-location exchange with colleagues from Weimar and Berlin
- a highly motivated team with flat hierarchies and a relaxed working atmosphere
- To become part of an extraordinary startup

That sounds exciting to you?

Then fill out our contact form and get informed only in a few days:
